REKO DIQ COPPER GOLD PROJECT

REQUEST FOR TENDER

CONTRACT: 2270-1510 CONSTRUCTION WATER PIPELINE INSTALLATION

Lycopodium Minerals Pty Ltd (Company Representative) is the EPCM Contractor for the Reko Diq Copper Gold Project (Project), acting as agent for and on behalf of Reko Diq Mining Company (Company).

The Company Representative invites your Tender for the Construction Water Pipeline Installation Works for the Project.

The tender must be prepared in strict accordance with the following documents issued with the Request for Tender (RFT):

Section A	Request for Tender
Section 1	Construction Contract
Section 2	Schedules
Section 3	Scope of Work
Section 4	Specifications
Section 5	Drawings

Tenderers are advised that this RFT package contains three (3) Separable Portions:

- Separable Portion 1 – Construction Water Borefield Pipeline
- Separable Portion 2 - Construction Water Transfer Pipeline
- Separable Portion 3 – Construction Water Pumping & Pipeline Supporting Infrastructure

The Tenderers are to confirm whether their Tender submission is for all Separable Portions, or only some of them. The Tenderers are advised that in accordance with the Conditions of the Tender the Company may choose to award individual Separable Parts to separate Tenderers.

Please confirm receipt of the Request for Tender and your intention to submit or not to submit a tender by completing the attached Acknowledgment of Request for Tender and returning it within 2 Business Days of receipt of the Request for Tender. If the Tenderer does not confirm its intention to submit a tender, any tender subsequently lodged by the Tenderer may be disregarded even if lodged on or before the Close of Tender date.

A Site inspection is planned to be conducted on Friday 5th April 2024. The Tenderer is requested not to visit the Project Site without prior approval from the Company's Representative.

Tenders shall be priced fixed and firm for the duration of the Contract, and must be exclusive of GST / VAT.

The Tenderer is invited to submit a formal tender by e-mail to the Company's Representative as set out below.

Works: Construction Water Pipeline Installation

Closing date: 15th April 2024 (Not later than 5 p.m. West Australian standard time)

E-mail tender to: Chris.Foster@lycopodium.com

All questions arising during the Tender period the Request for Tender shall be directed in writing to Chris Foster – Senior Contracts Engineer at Chris.Foster@lycopodium.com

Yours faithfully

STEFAN CHINOTTO
PROJECT MANAGER
